# ABOUT US

Based in India, for more than four decades we have been spearheading the plumbing and sanitaryware Industry. With multiple innovations and developments, we have retained a leading market share.

At Jindal Sanitaryware Pvt. Ltd., as a complete water solution provider we are proud to be the pioneer of the sanitaryware industry in India while playing a Pivotal role in the countries development.

**Founded in 1980 by Sh. Ram Niwas Jindal, Jindal Plast has come a long way from its humble beginnings.**

Started with the vision of eco-friendly water solutions in mind, Jindal Plast has for sure been able to achieve in many terms what it was intended for. With multiple high capacity production plants across India, we are one of the largest producers of bathroom and plumbing solutions across the country.

We are recognized as a leader in design and innovation, Plumbing and Bathroom fixtures, taps, sanitaryware products and accessories for residential, commercial and industrial markets nationwide.

We are dedicated to providing a consistently reliable and modern range of high-quality products and services. Therefore, Our products are made under the strict supervision of highly qualified and experienced technical personnel. Our high-grade raw materials, superior workmanship subjected to severe quality controls at various stages, and massive infrastructure are all controlled under one roof. Our in house research and development division works to improve the quality of our products.

We have a Complete Range of Plumbing, Sanitary, Road Safety and waste management Products with advanced technology, Our customers can avail all our Products and Services from anywhere in India.

We have wide range of products. Our Pipes and Fittings are available in CPVC (Chlorinated Polyvinyl chloride), uPVC (un-Plasticised Polyvinyl chloride), HDPE (High Density Polyethylene), DWC (Double Wall Corrugated), MDPE (Medium Density Polyethylene), & HDPE PLB Duct.

with applications in households, industries Agriculture, electrical purposes, offices, communication lines, etc. In addition we also provide SWR (Soil, Waste & Rain) Drainage System, uPVC Conduit Pipes and Fittings. We also produce Water Storage Tanks, Milk Buckets and Containers.

Our Sanitaryware portfolio includes: PTMT Taps, Toilet seat covers (UF and PP available in soft close-and hard close), Concealed Cistern (In-wall Cistern), Exposed Cistern Flush Tanks), Internal Mechanisms (Flush valves and Fill valves), Mirror Cabinets, Stainless Steel Kitchen Sinks and a wide range of Bathroom Fittings and Accessories.

Our Road Safety and waste management portfolio includes: Road Barriers, Traffic Cones, Spring Post, Road Studs, Corner Guards, Speed Breakers, Wheel Stopper and all kind of Dust Bins etc.

We've maintained a commitment to always believing in better, creating stronger, healthier communities and more sustainable product solutions in an effort to leave the world a better place for generations to come.

# PRODUCT RANGE

## WATER BALLAST/SAND FILL ROAD BARRIER (1)

|                          |
|--------------------------|
| JS-Eco-1                 |
| JS-Eco-2                 |
| JS-Eco-3 (Connector)     |
| JS-Prima                 |
| JS-Royal (Wheel Barrier) |
| JS-Window                |
| JS-Jumbo-1               |
| JS-Jumbo-2               |
| JS-Fence Barrier         |
| JS-Wall Barrier          |
| JS-Bull Nose             |

## TRAFFIC CONES/CHAIN (4)

|                     |
|---------------------|
| JS-Roto Cone-1      |
| JS-Roto Cone-2      |
| JS-Injection Cone-1 |
| JS-Injection Cone-2 |
| JS-Platic Chain     |

Effect

5 Layered Design with  
Extra Thick Foam For  
Superior Insulation

Insulated Covers  
with Inbuilt  
Locking Provision

Provided with  
Water Level Indicator  
& Pump Controller

The Jindal Plast India is an acknowledged leader of India's plastic industry. It is credited with pioneering several path breaking products and has been a torch bearer in the transition from conventional to advanced plastic piping products in the country. Its customer centric approach fuels its research for designing unmatched quality products to meet the aspirations of its quality conscious customers. The innovative product portfolio offered by Jindal plast is extensive in range and application and comprises variety of pipes and vast spectrum of fittings totalling over 100 diverse products.

After encouraging response to the blow moulded water tanks, we are pleased to offer yet another unique quality product i.e. premium water storage tanks under the brand name of Weather Proof. These first of its kind premium overhead water storage tanks are designed to offer many best in class features to meet the requirements of elite class of customers. Weather Proof tanks are made available in five layered design with extra thick foam layer to make it extra strong, durable and most importantly to offer superior thermal insulation properties.
